## DUALITA

### STOOL

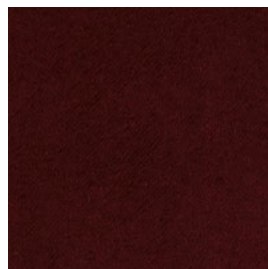

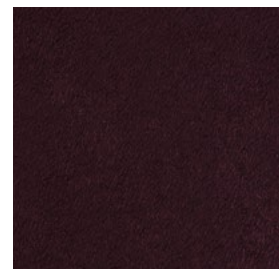

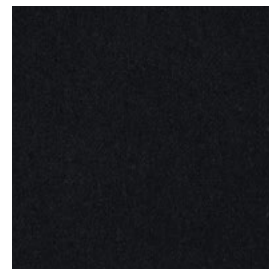

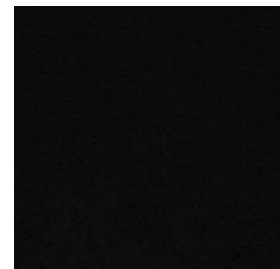

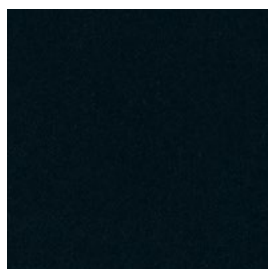

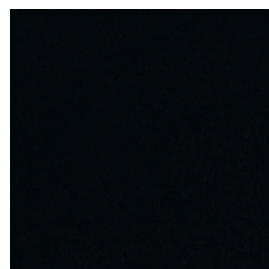

design by DAVID/NICOLAS, 2014

Stool structure in matt black painted metal with detailing in copper finishing. Seat and backrest padded with Polyurethane foam upholstered in fabric or leather.

|                   |                                                                                                                          |
